

Baked Enamel

Model Baked Enamel

- This style provides the most economical solution for heavy traffic and vandalism prone areas. Because it requires no special floor or ceiling construction, installation is easy in new or old buildings. The anti-grip rail provides outstanding rigidity.
- Mills® newly updated state-of-the-art paint system offers 18 rich colors with a long-lasting finish. This quality baked enamel finish combined with the exclusive Permaseal™ design makes Mills® the best metal partition system available at an economical cost.
